## DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

### FEEDBACK ON CURRICULUM

#### SUGGESTIONS COLLECTED & ACTION PLAN FOR 2020-21

Academic Year: 2019-20

S.No	Type of Stake Holder	Suggestions	Action plan for 2020-21
1	Parent	Better make more industrial visits for easier knowing of the Subject. To conduct events or any other activity in the department. please make sure that interested students also given a Chance to participate.	Planned to conduct industrial visits Value based events and activities (CRT,ITC and Association activities)
2	Alumni	Focus on some extracurricular activities too. Textbook is not the only life. Encourage and support students, rather than judging everything they do. If possible try to add coding subjects like Java or Python or data science or Artificial intelligence related subjects. Need more practical learning to complete the present market, focus on present technology. The courses need to be more segregated towards the department if possible try to add coding subjects.	As per instructions from principal Sports, Library, CRT and Value added courses Part of their daily schedule Planning to conduct certification courses.
3	Faculty	One additional Lab may be included in the program for the courses signals and systems & Random variables and stochastic process. Some improvements to be done in Assessment and Evaluation.	Makeup classes are planned Quality check process is planning to Conduct to evaluate the assessment Process.
4	Student	Provide Industrial visits to core companies	Instructed IIPC coordinator to plan for Industrial visits.
