EVENT REPORT**

Date	01-02-2024
Event Name	Inauguration & Plantation Drive
Venue	Vanukuru Village
No of participants	50

DESCRIPTION

As a part of special camp of NSS Unit, DhaneKula Institute of Engineering & Technology, had organized plantation drive in Vanukuru village. The day began with a brief orientation on the significance of the plantation drive and the positive impact it would have on the local ecosystem. The primary goal of the plantation drive was to create awareness about the importance of afforestation, environmental conservation, and the role that individuals, particularly NSS volunteers, play in contributing to a greener and healthier planet.

Mrs. Ch. Vijaya, Vanukuru Sarpanch, inaugurated special camp on 01-02-2024. She addressed NSS students that to develop leadership qualities everyone must have awareness on social services from early stage. Volunteers did plantation and created awareness regarding protection of planted saplings among villagers. A total of 50 volunteers had participated in this drive actively by hands-on activities to promote a sustainable and eco-friendly lifestyle. The collective efforts of the NSS volunteers have left a lasting impact on both the local ecosystem and the mindset of the participants, reinforcing the NSS's commitment to nurturing socially responsible and environmentally conscious citizens.

EVENT REPORT**

Date	02-02-2024
Event Name	Swachh Bharat Campaign
Venue	BC Colony, Vanukuru
No of participants	48

DESCRIPTION

On 2nd February, as a part of special camp of NSS Unit, Dhanekula Institute of Engineering & Technology took a significant step towards contributing to the Swachh Bharat Campaign. The initiative aimed to actively involve students in cleaning their surroundings, instilling a sense of responsibility for maintaining a clean and green environment. The participants were provided with necessary tools, including gloves, brooms and garbage bags and were divided into teams to cover different areas. Adequate arrangements were made for waste disposal, and measures were taken to ensure the safety and well-being of the participants, showcasing their resilience and commitment to the cause.

In this program around 48 NSS volunteers participated in cleaning drive which went on for three hours, where students showed full enthusiasm in cleaning the streets and roads by collecting, disposing the garbage separately in wet and dry wastage bins. They also motivated villagers to take active part in disposal of waste at their localities properly in respective garbage collection points. The members of village secretariat appreciated the students on their willingness to take part voluntarily in cleaning program.

EVENT REPORT

Date	03-02-2024
Event Name	Awareness on Plastic Usage
Venue	Vanukuru Village
No of participants	49

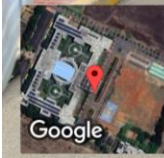

DESCRIPTION

As part of the NSS Special Camp, Dhanekula Institute of Engineering & Technology undertook an impactful initiative focused on creating awareness about plastic usage. A dedicated group of 49 students actively participated in the campaign, aiming to educate the community on the detrimental effects of plastic and promote sustainable alternatives. The primary goal of the campaign was to sensitize the community, including students and local residents, about the environmental hazards associated with plastic usage.

The participants were equipped with informative placards and engaging presentations to effectively communicate the message. The NSS volunteers actively engaged with the local community during the awareness campaign. A rally was conducted in public spaces, emphasizing the need for reducing plastic consumption and promoting eco-friendly alternatives.

The Plastic Usage Awareness Campaign had a noticeable impact on the mindset of both the participating students and the local community. The campaign succeeded in initiating conversations about the need to reduce plastic usage and garnered support for sustainable alternatives.

EVENT REPORT

Date	04-02-2024
Event Name	Free Medical Camp
Venue	Grama Sachivalayam, Vanukuru
No of participants	46

DESCRIPTION

As part of the NSS Special Camp, Dhanekula Institute of Engineering & Technology collaborated with Top Star Hospitals to organize a Free Medical Camp at Vanukuru Village on 04-02-2024 (Sunday). The primary objective of the Free Medical Camp was to offer healthcare services to the residents of Vanukuru Village, particularly focusing on general health check-ups and heart-related ailments. The initiative aimed to bridge the healthcare gap, provide early detection of diseases and offer medical guidance to the community. The event was graced by the presence of Chief Guest, Dr. G. Syam Kumar, NSS, NCC & Sports Coordinator, JNTU Kakinada addressed the gathering, emphasizing the significance of preventive healthcare, lifestyle choices, and early detection of heart diseases. He also suggested the students to help the villagers by applying their technical knowledge in taking precautionary measures regarding water and pollution issues.

The NSS volunteers actively engaged with the local community, encouraging residents to participate in the medical camp. Announcements regarding medical camp were made in village and educated them about the importance of regular health check-ups and adopting a healthy lifestyle. The community members were provided with an opportunity to interact with healthcare

professionals, seeking advice and clarifying their health-related queries. The active participation of 46 students, coupled with the expertise of healthcare professionals, made a positive impact on the health and well-being of the Vanukuru Village residents. This initiative reflects the NSS's commitment to serving the community and creating awareness about vital aspects of healthcare. The medical camp offered a range of services including general health check-ups, blood pressure monitoring, blood sugar tests, and electrocardiograms (ECGs) for heart health assessment. A team of medical professionals from Top Star Hospitals collaborated with the NSS volunteers to ensure comprehensive and thorough examinations and provided free medication to the necessary.

EVENT REPORT

Date	05-02-2024
Event Name	Awareness on Proud to be a voter- Ready to Vote
Venue	Vanukuru Village
No of participants	48

DESCRIPTION

As a part of the NSS Special Camp, Dhanekula Institute of Engineering & Technology conducted an impactful "Proud to be a Voter - Ready to Vote" awareness campaign. With the active participation of 48 students, the campaign aimed to educate and inspire the youth about the importance of exercising their right to vote and contributing to the democratic process. The initiative aimed to instill a sense of civic responsibility, highlight the democratic values, and encourage active participation in the electoral process.

The campaign enlightened the importance of voting as a fundamental right and civic duty. Awareness drives were organized in nearby areas to educate residents about the importance of voting and the need for active participation in the democratic process. The campaign aimed to break down barriers and motivate individuals, especially first-time voters, to register and exercise their right to vote. The "Proud to be a Voter - Ready to Vote" awareness campaign exemplified the NSS's commitment to empowering the youth, fostering civic engagement, and contributing to a vibrant and participative democracy.

Date	06-02-2024
Event Name	Awareness on Basic Education and distribution of academic needs to school children
Venue	ZPH school Vanukuru
No of participants	30

DESCRIPTION

On 6th February, Dhanekula Institute of Engineering & Technology NSS unit took a significant step towards promoting basic education and supporting school children in need. A total of 30 NSS volunteers actively participated in this initiative to create awareness about the importance of higher education. The session highlighted the crucial role of education in personal and societal development.

To address the immediate needs of underprivileged school children, faculty and volunteers distributed academic essentials such as notebooks, pens, pencils, and other stationery items. The active participation of NSS team showed their commitment in creating positive impact on education among the school children which helps the holistic development of the community.

EVENT REPORT

Date	07-02-2024
Event Name	Awareness on Pollution & Valedictory
Venue	Vanukuru Village
No of participants	50

DESCRIPTION

The final day of the NSS Special Camp organized by Dhanekula Institute of Engineering & Technology culminated with an insightful session on "Awareness on Pollution" followed by a valedictory ceremony. Awareness on Pollution program commenced with an overview of the various forms of pollution affecting the environment, including air pollution, water pollution, and land pollution. The NSS team was equipped with informative placards and engaging presentations to effectively communicate the causes, consequences, and preventive measures to combat pollution, emphasizing the collective responsibility of individuals and communities in preserving the environment.

Mrs. Ch. Vijaya, the Sarpanch of Vanukuru village, graced the occasion as the chief guest for the valedictory session. In her address, she commended the students for their commitment to community service and highlighted the importance of such initiatives in fostering positive change. Mrs. Vijaya underscored the significance of environmental awareness, urging the students to become ambassadors for sustainable practices in both their academic and personal

lives. The chief guest also shared insights into the village's perspective on environmental issues and expressed gratitude for the collaborative efforts between the institute and the local community.

The "Awareness on Pollution & Valedictory Session" served as a powerful conclusion to the NSS Special Camp at Dhanekula Institute of Engineering & Technology. The event not only equipped students with valuable insights into pollution-related issues but also celebrated their contributions to community service. With Mrs. Ch. Vijaya's inspiring address, the students left the camp with a renewed sense of purpose and a commitment to being responsible citizens and stewards of the environment.
