No of participants	127

DESCRIPTION

On February 29, 2024, Dhanekula Institute of Engineering and Technology, in collaboration with Vasana Eye Care Hospital, Vijayawada, organized a thoughtful Eye Camp for both staff and students of the B. Tech and Diploma programs. This initiative aimed to prioritize the ocular health and well-being of the institute's academic community. The event featured comprehensive eye examinations, including vision tests and screenings for common eye conditions. The collaboration with Vasana Eye Care Hospital ensured the availability of experienced eye care professionals and state-of-the-art facilities for accurate assessments. This proactive approach toward eye health reflects the institute's commitment to the overall welfare of its members. Such initiatives not only contribute to the physical well-being of the academic community but also underscore the institution's dedication to fostering a healthy and caring environment for its staff and students.
