CHAIRMAN MESSAGE

In recent years, there has been significant global focus on the profound impact of science and technology on our modern lifestyles. The twentieth century is rightly recognized as the age of science and technology. The progress of any nation today largely hinges on advancements in these fields.

In this context, engineering education plays a crucial role that cannot be overlooked. At Dhanekula, we are dedicated to providing top-notch infrastructure and faculty to foster excellence in engineering education.

I believe that technology truly succeeds when it is integrated into society, enhancing the economy and improving the per capita income of its citizens. Our ultimate goal is to bring world-class technology to our students, promoting their overall development and shaping them into skilled, qualified, and socially responsible engineering professionals.

PRINCIPAL'S MESSAGE

Dear Parents and Students,

It is with great pleasure that I welcome you to our College (DIET) Newsletter. As Principal I am hugely impressed by the commitment of the college and the staff in providing an excellent all-round education for our students with our state of the art facilities. We, as a team working together, strongly promote the zeal towards academic achievement among our students. The cultural, sporting, and other successes of all our students and staff are also proudly celebrated together.

I congratulate the staff and students who brought the latest technologies and concepts onto the day-to-day teaching-learning platform. As long as our ideas are expressed and thoughts kindled we can be sure of learning, as everything begins with an idea.

I appreciate every student who shared the joy of participation in co-curricular and extracurricular activities along with their commitment to the curriculum. That little extra we do is the icing on the cake. 'Do more than belong-participate. Do more than care -help. Do more than believing -practice. Do more than be fair - be kind. Do more than forgive forget. Do more than dream-work.'

With a long and rewarding history of achievement in education behind us, our DIET community continues to move forward together with confidence, pride, and enthusiasm. I hope you enjoy your visit to the website and should you wish to contact us, please find details at the www.dict.ac.in

Yours in Education

Dr.Ravi Kadiyala,

Principal

HoD's MESSAGE

Dear Students, Faculty, and Readers,

It gives me immense pleasure to present this issue of our department magazine, which reflects our collective achievements, efforts, and aspirations. As we continue our journey of academic excellence and professional growth, I am proud of the progress our department has made in recent months.

We had the privilege of hosting the *Industry Summit - 2*, an event that brought together industry leaders to share insights on emerging trends, technological advancements, and skill requirements in today's competitive job market. Events like these bridge the gap between academia and industry, equipping our students with the knowledge and adaptability they need to excel in their future careers.

Additionally, we organized a *1-Week Workshop on Java, focusing on the **Java NIO (New Input/Output) API, Java Applets, and Graphical User Interface*. This workshop provided students with a strong foundation in essential Java concepts, preparing them for real-world application development and enhancing their programming proficiency.

I am also pleased to announce that *seven of our students have been selected for placements at Accenture*, which speaks volumes about their dedication and the quality of education we provide. Congratulations to each of them for achieving this significant milestone.

This edition of the magazine also celebrates the academic accomplishments of our students with the *latest semester results and toppers*. Their hard work and commitment serve as an inspiration to us all, raising the bar for academic excellence within our department.

My heartfelt thanks to our faculty, staff, and students, whose passion and determination make each achievement possible. May we continue to learn, innovate, and excel together as a department dedicated to nurturing future leaders in technology.

Warm regards,

Dr. K. Sandeep

Head of the Department

Department of Information Technology

Department Vision, Mission, PEOs & PSOs

Department of Information Technology

IT Department vision statement

To become a leading center in Information Technology education and research, fostering innovation, technical expertise, and responsibility

IT Department Mission statement

- Provide learner centric education with state-of-the-art facilities.
- Impart problem-solving skills to become pioneers in the global competition through trainings and various activities.
- Equip learners with employability and entrepreneurial skills.
- Promote Research environment and inculcate corporate social responsibility.

B.Tech(IT) Program Educational Objectives (PEOs)

B.Tech(IT) graduates of DIET are able to

- PEO1: Solve multidisciplinary problems and innovate through core IT knowledge, excelling in professional careers or higher studies.
- PEO2: Integrate IT across domains, demonstrate ethical professionalism, and embody environmental consciousness as competent, well-rounded individuals.
- PEO3: Engage in continuous learning, adapting to evolving technologies while promoting societal betterment through responsible innovation and research.

B.Tech(IT) Program Specific Outcomes (PSOs)

At the end of the B.Tech(IT) program, DIET students are able to

PSO1: Design and develop the Information Technology based AI systems and software applications with technical and professional skills.

PSO2: Excel in higher studies, secure employment in diverse technology sectors, contribute to research, and entrepreneurship.

JAVA WORKSHOP

INDUSTRIAL SUMMIT-II

Sankranthi Sambaralu

Date:12:01:2024

- Sankranthi celebrations were taken place in our college on 12-1-24
- on this day, several competitions like rangoli, mehendi, flying kite were conducted to the students
- the students have actively participated and enjoyed the eve.
- competition winners were given prizes

Date:12:01:2024

- In view of National Youth Day, an Urban Area Road Safety Week was taken place
- In this event, all the NCC students have actively participated and brought awareness about the urban area road safety
