## FEEDBACK ON CURRICULUM

### SUGGESTIONS COLLECTED and

### ACTION PLAN FOR 2020-21

Academic Year: 2019-20

Department: MECHANICAL ENGINEERING

SNO	Type of Stake Holder	Suggestions	Action plan for 2020-21
1	Parent	Please think a side of students point of view also in some situations please, Remaining facilities for every student from our college is excellent. Please to improvement of online classes and improve the quality of practical knowledge	<ul style="list-style-type: none"><li>• We are providing faculty for all students in student point of view for providing any information</li><li>• Instructed all faculty dealing with online class .we are told to the every faculty to providing extra knowledge.</li><li>• We are providing practical visits and industrial tours to students.</li></ul>
2	Alumni	Include field more trips. The principal he may be educated, professional and worth person.  I just want to tell him just to provide some time to talk with people especially the parents of a student.	We are instructed to faculty to trip more industrial tours to students in every year to good industries. * Now on words we are creating a some separate session to talk with parents in a week ones. This hour is used to providing student information to parents
